*This is a product of the Hector de Leon Perspective. It is based on queries performed using US Census Bureau surnamed lists on the Countywide Voter Registration Roll obtained from the Office of Harris County (Texas) Tax Assessor Collector and Voter Registrar.

*A registered voter is placed on the "suspense" list if a voter registration certificate delivered to the voter by mail is returned to the Voter Registrar undelivered and the voter fails to submit a response to an address confirmation notice. A voter on the suspense list is eligible to vote. However, if the voter does not update voter record by November 30 following the second general election for state and county officers that occurs after the date the voter's name is entered on the suspense list, the voter registrar may cancel the voter's registration.
